

Templeton FFA Floral Design Monthly Flower Club

The Templeton FFA Flower Club helps support the Floral Design class. Every month, students learn new skills and techniques that are used in floral design. They create everything from basic table arrangements to elaborate wreaths. This year we are offering membership to people who would like to support our students by pre-ordering arrangements. Supporters will receive student made arrangements throughout the fall months (See other side for details). Proceeds will go towards the materials in the arrangement as well as give students the opportunity to explore different designs. If you are interested in becoming a member, please provide the information below and turn into a floral design student, room D-6 @ THS or Ms. Crivello.

Name: _____
Email Address: _____ **Phone #:** _____
Please check one of the following if applicable:
