NOTICE OF INTENT TO BE INVOLVED IN FFA ACTIVITIES

By completing this application for the 2019-2020 Agricultural Leadership Class I confirm that I _____ will be an active participant in FFA activities including but not limited to Conferences, Career Development Events, Leadership Development Events, Fundraisers, Monthly Meetings, and SAE projects.

I understand that by being enrolled in this class, I will take advantage of the opportunity to be involved in as many FFA and SAE events as I can. I also understand that I will be required to participate in Opening and Closing, a Leadership Development Event (Creed, Impromptu, Prepared, Extemporaneous, Job Interview, or Parli Pro), and/or a Career Development Event (Livestock Judging, Grapevine Pruning, Veterinary Science, Welding, or Nursery/Landscape.)

I understand that being enrolled in this class will require time outside of the regularly scheduled class time. I will attend every FFA meeting to fulfill my required committee member duties. If I am unable to attend a meeting, I will provide an explanation at least one week prior as to why I will be unable to attend.

Being enrolled in this class is a privilege and an honor and I will treat this class as such. I understand that failure to meet the expectations outlined in this notice of intent may result in receiving an unsatisfactory grade and being removed from the class. I also understand that as a leader of the agriculture program at Templeton High School I will continuously keep a GPA above a 2.0.

To the best of my knowledge, at this time, I agree to the aforementioned terms outlined in this notice of intent and will attend the FFA events outlined in the sample schedule on the back of this page.
